

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA

Petitioner,

v.

DONALD J. TRUMP, *In his official
capacity as President of the United States,
et al.*,

Respondents.

Civil No. 3:25-cv-00113
Judge Stephanie L. Haines

ORDER OF COURT

AND NOW, this 19th day of May, 2025, IT IS HEREBY ORDERED that, on or before **May 28, 2025**, both Petitioner and Respondents shall provide to the Court their position regarding how they believe this case should progress in light of the Supreme Court's May 16, 2025, decision in *A.A.R.P. v. Trump*, No. 24A1007, 2025 WL 1417281 (U.S. May 16, 2025). As counsel are aware, in that case, the Supreme Court held that, under the "circumstances [before it], notice roughly 24 hours before removal, devoid of information about how to exercise due process rights to contest that removal, surely does not pass muster." *Id.* at *2. Further, the Supreme Court stressed that it was not "address[ing] the underlying merits of the parties' claims regarding the legality of removals under the AEA." *Id.* (recognizing the "significance of the Government's national security interests as well as the necessity that such interests be pursued in a manner consistent with the Constitution"). Petitioner and Respondents shall each provide their position to this Court via email at: Haines_Chambers@pawd.uscourts.gov.
